

2018 WINTER BASIC MEDIATION TRAINING PARTICIPANT COMMENTS

Comments about the trainers:

"I thought both Sabrina and Kathleen are very knowledgeable, have tons of experience, were super clear and helpful. They overall were fantastic trainers & I am lucky enough to have learned from them."

"Excellent training. Sabrina and Kathleen, you worked very well together. Keep the training moving and interesting."

"The trainers' excellent knowledge; confidence and reassurance created a learning environment of confidence and openness."

"I want you to make videos on mediation so people can watch them over and over to better themselves."

Comments about the training:

"I thought all of the training exercises were helpful. I especially liked how they all built up to the end where we all got to practice a mediation from beginning to end, instead of just starting out with one."

"Flexible and willing to adapt themselves and the training to accommodate all styles."

"Fun and Creative"

"Everything was perfect."

Comments about the materials:

"I loved my binder! I thought there was a good mix of important information and activities. I also liked how handouts were given along the way as well!"

"The training manual along with the sequence of lectures and role play was very valuable. All the tools of self-examination and self-learning (Gregorc & Myers Briggs) etc – very enhancing."

"The materials contain a clear reference and intellectual guidance of all concepts of mediation."
