WITH US

Our training program ...

is an intensive 5 days of fully exploring, diagnosing, teaching, and hands on coaching of the mediation process from the initial greeting of parties to drafting a mediated agreement. We encourage people to attend from all walks of life and for whatever reasons! The training includes administration of the Gregorc Style Delineator, lectures, role playing, fish bowl activities, improv techniques, freeze frame practice, pragmatic vs. intuitive recognition, into the heat techniques, and concludes with a 40 hour certificate to acknowledge training is completed. Come join us!
